

Fill in the Blanks

As you listen, fill in the blanks with information from the story.

Farmer Tom Deardorff has faced the problem of _____

He has tried some of the expected ways of addressing the problem. For example, he has offered incentives to attract workers, such as _____

When that didn't work, he _____

Deardorff believes the labor problem is due to how difficult and expensive it is for foreign workers to _____ because there are enough workers there.
